the impetuous youth who, carried away with the joy of flying, soared too close to the sun, the heat of which melted the wax of the wings and plunged him to his death.

On the outer coast of the 10 mile drive on the Island of Newport, Rhode Island we found our Daedalus flying steady and confidently in the sea breeze. Wearing jeans and sneakers our mythical man kite was the focus of all eyes as people drove by and then stopped to gaze at this kite and other ingenious products of the art.

This outer shore of Newport is spectacular for its rocky coast and surf. It is also the magnet for kite clubs in all seasons.

The tree on the cover background is silent testimony to the force of that wind when it blows from the sea. You will notice that the tree has been permanently bent into an arc.

On this last weekend of February the cabin fever of winter was banished as numbers of people climbed the rocks, flew the kites, jogged and, yes, even picnicked. The grip of winter is not gone but it loosens.

Mattapoisett Housing Partnership Committee Meets with Selectmen

MATTAPOISETT SELECTMEN'S MEETING
MARCH 1, 1988-by VIRGINIA MORGAN

"This new Mattapoisett Housing Partnership Committee promises to be a busy committee at first", said Selectman William F. Hubbard, as the group met with Selectmen last Tuesday for its first joint session.

Harvey J. Blanchette, an interested citizen, was named as temporary chairman of the 12-member committee recently appointed by the Selectmen to study the State Housing Partnership Program and to review developer offers of housing proposals.

Members of the committee are: Donald C. Wood, Fire Chief; Daniel C. Lee, Board of Health; Robert A. Gingras, Board of Assessors; Joseph Souza, Conservation Commission; Andrew J. Bobola, Building Inspector; Paul E. Lambalot, Housing Authority; John Driscoll, interested citizen; Sylvia Fales, Board of Appeals; William A. Matthews, Planning Board; Peter F. Kortright, Growth Study Committee; and Frank M. Suzan, Board of Selectmen.

Selectmen Chairman John N. DeCosta explained the first priority of the committee will be to work with the application form from the state to be filled out designating the official formation of the committee. He noted this official committee formation is necessary if the town is to have a say in what the town can do in controlling its growth.

Selectman Suzan said, "It is important that we take the lead or we will wind up with a developer (someone) we don't want. We need the control and more say in what we want to do."

Selectman William Hubbard gave

the committee literature to study to set the groundwork. He noted the Town of Falmouth has set up a well-run Housing Partnership Committee, and he will obtain information from Falmouth on its operation to help the Mattapoisett committee.

The first committee meeting is scheduled for 7 p.m. March 10th in the upstairs hall of the Fire Station.

In other business, Selectmen:

MET WITH the Finance Committee and Town Accountant Karen Linhares to discuss the Special Articles for the May 2 annual town meeting.

One of the largest requests will be the $1.4 million for the building of the new police station. Specifications are now being prepared to go out to bid for construction and will be presented at town meeting by Police Chief James F. Moran and the architects, Browne and Lundquist.

Other articles will include $40,000 for the Water/Sewer Department to cover the balance due on higher bids than expected for the Sewer Corrosion project approved last year; two articles for the Mattapoisett School Committee, with one article for $224,000 to cover the roof on Old Hammondtown School and the windows

these 'wish lists', it will necessitate some cuts. This is going to be a real tough year."

Chairman DeCosta noted there is the 10 percent increase requested by the Old Rochester Regional District School Committee for its budget to consider, and "we would like to do something about an increase in the town employee wages. We want to touch base with you on what's important and what may have to be cut."

Coastal Zone Management

SIPPICAN AND MATTAPOISETT RIVERS

On March 14th at 7:00 p.m. at the Marion Town House, Bradley Barr and Suzanne Moore from the Coastal Zone Management Office will describe the benefits of a state program that can help protect our region's vital but threatened wetland resources. The Marion Conservation Commission is sponsoring this informational meeting about Areas of Critical Environmental Concern (ACECs).

Once an area has been designated as of critical environmental concern, any development there is subjected to stricter review through existing environmental regulations. Such review can help protect and manage growth in resources important to our public health, welfare, safety, and pleasure. There are 12 ACECs in the state; nine are coastal, including 6 in the southeast region, such as the Pocasset River, Sandy Neck, and Waquoit Bay.

Because of their scenic beauty as well as their importance to shellfishing, fisheries, water supplies, and wildlife habitat, potential local areas include the Sippican and Mattapoisett Rivers. To learn more about this protective designation that also increases

environmental awareness and civic pride, please attend. Designating an ACEC is a grass roots effort that cannot go forward without citizen involvement. For further information call the Marion Conservation Commission at 748-2500.

Rochester Arts Lottery

IN NEED OF NEW MEMBERS

The Rochester Arts Lottery Council will soon be in need of new members as some council terms expire. Without a minimum membership, arts lottery funds can be withheld from the town, which is now the unfortunate circumstance of four towns in the state. Please don't wait for others to volunteer. For more information call Mrs. Winnifred Dassman, Chairman, at 763-5208.

APPLICATIONS BEING ACCEPTED

The Rochester Arts Lottery Council announces that applications are now being accepted for the July 1988 distribution of arts lottery and PASS funds. Grants will be approved for arts and humanities proposals that follow recently updated state guidelines. A copy of these guidelines and an information sheet can be reviewed when obtaining an application form at either the Town Hall or the Joseph Plumb Library; completed forms should be returned to either location by April 3rd. If there are questions please call Mrs. Winnifred Dassman, Chairman, at 763-5028.

July 1988 funding cycle. The Council has also been allotted money for the Performing Arts Student Series (PASS) program which provides funding for school children to attend performing arts events.

The Arts Lottery has proven to be an effective avenue for supporting and encouraging the arts in each community in our state. The Mattapoisett Arts Lottery Council hopes to continue to fund the talented and committed artists and organizations of our town. Through the Arts Lottery we can offer more programs and involve more of our residents in cultural activities.

Applications for funds may be picked up in the Selectmen's Office at the Town Hall. They must be returned there no later than April 4th.

For additional information you may contact Claire Bessette at 758-2602. Application approval is based on the benefits to the town and its residents.

Secrets of Lizzie Borden Revealed!

MATTAPOISETT HISTORICAL SOCIETY

On Tuesday, March 22nd, the Mattapoisett Historical Society will have the next in its winter series of events at the Museum building on Church Street. At 7:30 p.m. Betty Mitchell, Associate Professor of History at Southeastern Massachusetts University, will tell the fascinating story of Lizzie Borden under the title "Lizzie Borden and True Womanhood-Myth or Reality". Mark your calendars now for the date and time. The program is free to members and there is a modest $2. charge for non-members.

Those attending the lecture by Brad Hathaway on Sunday, February 28th, enjoyed a fascinating view into life in old Mattapoisett through excerpts from letters written in the 19th century. Life was not easy in those days and the letters make clear how fortunate we really are today. The Museum's collections are a tangible record of what it was like to be a resident of Mattapoisett in those early days. Get to know the Museum by joining us the evening of March 22nd.

REMINDERS FOR SENIOR CITIZENS OF MARION

Dr. Larry Yeshman, Podiatrist, will be at the Senior Drop-In Center at the Congregational Community Building, Marion on Wednesday, March 9th, from 8:30 a.m. until 11 a.m.; first come, first serve.

WALKING CLUB

Keep March 24th at noon open! A meeting will be held at the Visiting Nurse Association office to hear about the formation of a new Walking Club. Let's improve our health.

Keep Moving Walking Club

The Keep Moving Walking Club was designed by the Executive Office of Elder Affairs to promote fitness, exercise, and socialization for adults 50 years and older. As part of the Keep Moving Program, a statewide network of walking clubs has been initiated. Persons interested in starting a Walking Club in their community are trained and certified as leaders. Club members receive Keep Moving walking manuals and passports to log their times and distances walked. A regular program of brisk walking prevents and manages several major health concerns of older people - coronary heart disease, hypertension, obesity, diabetes, anxiety, depression, arthritis and osteoporosis.

A regular walking program can slow down the aging process and add years of vigorous living. It helps control weight. It tones muscles that would otherwise be

flabby and it helps maintain a sense of balance and agility, lessening the likelihood of injuries from falls or accidents; and, it improves self-image and a sense of self-reliance. Most importantly, it feels good!

There will be a meeting on March 24th at noon for anyone interested in information on the walking club. The meeting will be at the Marion Visiting Nurses Office, 16 Spring Street, Marion.

Sippican Seniors

The Sippican Seniors' Club of Marion will meet on Thursday, March 10th, at the Methodist Church on County Road at 1:30 p.m. The speaker will be Attorney Ann Ponichtera DeNardis who will speak on nursing homes. Come join the group.

Mattapoisett Council on Aging

FUEL ASSISTANCE PROGRAM

Federal cuts in Low Income Home Energy Assistance will force the Fuel Assistance Program to close intake on April 15, 1988, 15 days earlier than in previous years, but much better than the March 15th date expected earlier.

Since many elders wait to apply, hoping they can stretch their income, elders who may be eligible to apply are encouraged to apply before the April 15th deadline. Current applications should be completed and filed before that date.

For additional information please call the Council on Aging office

Mattapoisett Growth Management

The most recent meeting of the Mattapoisett Growth Management Committee was held at Village Court on Thursday, March 3rd, at 7:30 p.m. Present were Peter Kortright, chairman, committee members, and a dozen residents of Brandt Island Road.

Mr. Kortright, the committee and visitors discussed the funding and obtaining of a Professional Town Planner- full time or part time. It was the general consensus that a professional planner's expertise is essential if the town is to experience regulated growth. Mr. Kortright and Mr. Randall Kunz volunteered to write a job description so that a town planner's tasks would be clearly defined.

Lively discussion ensued as to the water and sewerage problem in the Brandt Beach Road area. William Nicholson, Water Superintendent, welcomed input, comments and suggestions from the area residents.

Following this discussion, much concern was expressed by Martha Peterson, Chairman Open Spaces Sub-Committee, over the development of

large tracts of land and especially wetland areas. "The town is unprotected unless we take some legal measures to regulate this growth," stated Mrs. Peterson. She then proceeded to explain some steps the town could take to protect these areas. Everyone present was concerned about over-development and the potential effects of such development, expecially if there is a strain on existing town services.

The committee decided to address those issues at the next few meetings. The consensus of the group was to find a way the town can control growth rather than having growth control the town. Members of the committee are prepared to address these problems.

Town officials and the public are actively encouraged to attend these meetings and present their views. The committee welcomes all discussions and suggestions. It takes everyone working together to make a difference. Come and be heard, please.

The next meeting of the Mattapoisett Growth Committee will be held at Village Court Thursday, March 17th, at 7:30 p.m.

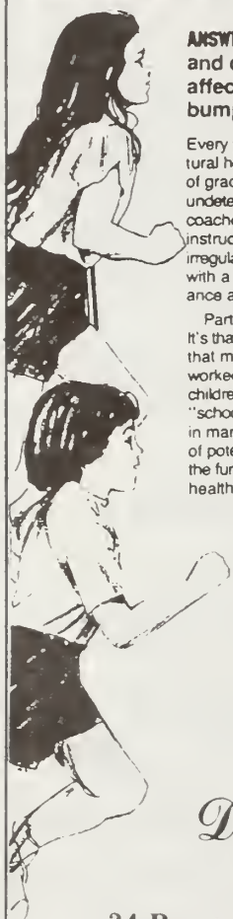
QUESTION:

WHY SHOULD CHILDREN HAVE CHIROPRACTIC SPINAL MANIPULATION?



ANSWER: Because growth and development can be affected by minor bumps, jars and falls.

Every year, thousands of structural health problems in students of grade and high school level go undetected even though teachers, coaches and physical education instructors watch for health irregularities which might interfere with a child's physical performance and learning ability.

Part of their jobs? Not really. It's that extra sense of dedication that makes these already overworked public servants give children that extra attention. The "school guardian" is responsible in many cases for the detection of potential health problems and the funneling of children to proper health authorities.

What most people don't know is that most health problems are far too complex for the teacher to note. And with a busy schedule, the educator can't be expected to have the time to screen problems that are beyond his or her scope of training, no matter how conscientious the teacher may be. The result: many children have health problems that retard their ability to learn or engage in sports effectively.

Here's what you can do:

- Parents should be urged to take more responsibility for their children's health.
- Parents and teachers should be alert to such things as changes in energy level, postural changes, moodiness, listlessness or any unusual signs that signal a problem that will impede learning. One of the observable signs is lack of interest in school activities.
- The structural balance of the child's body should be considered. The school teacher will no doubt note the child's posture, but that does not always indicate the structural integrity of the body. Comprehensive chiropractic examinations, including examinations of the spine, pelvis, neck and limbs should be recommended to avoid developmental problems.
- Incorporate posture awareness programs into your class projects. Write for suggestions and materials.

Dr. Jean E. Peelor
Chiropractic Physician
34 Barstow St., Mattapoisett 758-3711

residing in Marion, Mattapoisett or Rochester is eligible to be screened. The purpose of the screening is to identify young children with potential learning problems. At the screening, a brief assessment of the child's thinking skills, speech and language development, memory skills, coordination, hearing and vision is completed. Any parent who suspects their child is having difficulty in any of these areas may call for an appointment (748-0100). Appointments for the March screening should be made no later than Friday, March 18th. NOTE: Four year olds scheduled to enter kindergarten in the fall should attend the pre-kindergarten screening held in each elementary school.

Gordon in 1947.

Ms. Gordon was a teenager in Wollaston, Massachusetts in 1917. Her eager desire to go out and make it big as a theater actress was unsettling to her old-fashioned parents. Her father was a former seaman from the port of New Bedford.

"Years Ago" offers a view of local history, exciting scenery, and talented acting by high school students, many of whom appeared in A CHRISTMAS CAROL and FIDDLER ON THE ROOF, two fine productions. This 1988 season is the premiere of The Bristol Theatre Club as well as "Years Ago". You may purchase tickets at the door or by calling 758-3745.

Then a group of photos could be mounted on boards or other method to give everyone an idea of what is being discussed - also to show to proposed businesses and developers of what we as a town have in mind, and hope for.

Some people can't seem to visualize.

My mother - my greatest fan - would say when I started a project, "Don't tell me what you are going to do, I can't understand it, but I know I'll like it when it's done."

So, if we show pictorial general examples, more people might join the push to end up with a livable, worthwhile end result.

Permit Sought for Dam

The Massachusetts Department of Environmental Management is seeking permission from the U.S. Army Corps of Engineers to place 140 cubic yards of concrete in the Mattapoisett River in Mattapoisett to improve the Mattapoisett Dam. The improvements would include redesigning the existing fishway, construction of a new fishway, removal of the west pier, and installation of pier and slide gates.

The application for the federal permit was filed with the Engineers in compliance with Section 10 of the Rivers and Harbors Act which provides for federal regulation of any work in, under or over navigable waters of the United States and Section 404 of the Clean Water Act which regulates the discharge of dredged or fill material in United States waters, including wetlands.

To assist in evaluating the proposed work, the Engineers are soliciting public comments. Written

Mattapoisett Board of Appeals

GRANTS FOUR SPECIAL PERMITS
by VIRGINIA MORGAN

One of the four Special Permits granted by the Mattapoisett Board of Appeals on February 26th was the application of Thaddeus and Ida Walega, 39 North Street, relating to property at 30-32 County Road (Route 6) containing the Post Office, Cumberland Farms Store and Seaport Pharmacy.

The applicants proposed to add 2,600 square feet to the westerly structure on the east and south and 280 square feet to the easterly structure on the south, resulting in a total footprint for the combined structure of 7,744 square feet.

The proposal is to expand the existing structures by combining them into one larger structure containing the possibility of three to five business units, and to reverse the front and rear of the structure so that the new front faces south to the parking area and the new rear faces north to Route 6. The combining of the structures

with expansion taking place between the two existing structures and to the south will not extend beyond the existing north, east and west non-conforming setbacks. The reversing of the front and rear will substantially relieve significant traffic congestion in the area of the property and on Route 6.

In the view of the Appeals Board the reversal of the front and rear of the structure is an innovative proposal that promises a substantial benefit to the area if it can be implemented in accordance with applicable zoning by-law requirements. (This ruling applies only to Lot 7, Plot 9 in the General Business District.) Any parts of the proposal that extend beyond the limits of Lot 7, Plot 9, are subject to the following conditions and safeguards:

1) All provisions of the current zoning by-law applicable to the General Business District shall be complied with except the street, rear and side setback provisions and the 20 foot open space access provisions. 2) A dumpster or commercial-type covered trash receptable for use by business tenants shall be provided in an area enclosed by a stockade fence and gate, to be located more than 80 feet north of the southerly bound of the lot. 3) A 6 foot high stockade fence shall be placed along the 144 foot southerly bound of the lot with plantings on the south side of the fence. 4) On the portion of

the westerly bound of the lot fronting on Mechanic Street that is south of the proposed parking lot entrance and exit, one or two sections of the stockade fence shall be continued at full height and one or two sections at gradually reducing height with plantings on the west side of the fence and continuing as a planting fence and green area to the proposed parking lot entrance and exit. 5) Landscaped areas shall be provided in the northerly portion of the lot, the plantings not to interfere with motorists' visibility upon entering and leaving the premises. 6) The roof line of new construction will be no higher than that of the existing structures. 7) Covered trash receptacles for public use shall be provided. 8) Night lighting of the parking lot area between the hours of sunset and sunrise shall be provided and the lights shall be so placed as to minimize glare to the homes or neighbors and 9) Pertains to keeping the common areas of the lot in clean condition, free of trash, with new tenants' obligations to keep the area clean.

The second Special Permit was granted to Plymouth Savings Bank relating to property located at 29 County Road (Route 6). The applicant proposes the following construction changes are: (1) to increase the drive-through teller facilities from one to two and to locate them at the rear of the building; (2) to relocate the main entrance from the south side of

the building to the west side; (3) to relocate the ATM (Automatic teller) from the east side of the building to the present entrance on the south side; (4) to construct a 5 foot by 8 foot concrete platform and canopy-like addition on the south side of the building to protect ATM users from the weather; (5) to construct a 6 foot by 12 foot addition on the west side of the building; and (6) to make interior renovations.

The proposed construction will not substantially extend the structure beyond the existing street setbacks. There will be no intrusion of the existing 30 foot setback from Upland Way and only a five foot intrusion in a limited area of the 38.4 foot setback from Route 6.

The relocation and expansion of the drive-through teller facilities at the rear of the building and use of the area east of the building for customer motor vehicle travel use will substantially relieve significant traffic congestion to and from Route 6.

The application was granted subject to the limitation on any open area changes between the south side of the building and Route 6, except for construction of the concrete platform and canopy-like addition in front of the new ATM location, and further excluding planting areas and parking spaces on the east side of the building; subject to the following conditions and safeguards: all provisions of the current zoning by-law applicable to the General Business District shall be

complied with except the street setback provisions and the 20 foot open space access provision. When the applicant submits a supplemental filing and site plan for the area between the south side of the building and Route 6 and planting areas and parking areas on the east side of the building, the Appeals Board will then issue a supplemental ruling.

The third Special Permit and Variance was granted to Merle D. and Jacqueline D. McMaster, 45 Church Street, relating to their property for confirmation of the existing construction and use and no change in construction or use is authorized by the granting of the permits and variance.

The applicant purchased the property on the corner of Church Street and Pepperbush Lane in 1983 which contained a one-family dwelling, accessory structures, including a swimming pool. A variance was granted for the swimming pool which does not meet the applicable rear setback requirement of the zoning by-law.

At the time of the purchase by Mr. and Mrs. McMaster they appropriately relied upon documents provided to them at the closing of the purchase and sale of the property showing good and sufficient title and compliance with the local applicable zoning by-laws with respect to the horizontal dimensional requirements of the structures. A registered engineer and land surveyor in 1984, engaged by the McMasters, made the

owners aware of the zoning by-law problems, and the owners now seek a remedy from the Appeals Board. No opposition was made at the public hearing. A literal enforcement of the rear setback requirement would involve substantial financial hardship to the McMasters, therefore the Variance was granted.

The fourth Special Permit was granted to Agostinho and Louise Coelho of 5 Winter Hill Road, regarding property owned by the applicants, located at 4 Alderberry Lane, for division of what has become one lot by virtue of common ownership (the combined lots containing 49,410 square feet) into two lots. The lots fail to meet only the 40,000 square foot size requirement for which an exception is requested in light of the existing development in the area. A one-family dwelling of approximately 1,200 square feet could be built on one lot in compliance with all current streets, rear and side setback requirements. Homeowners residing in one-family dwellings located on eight neighborhood lots support this application. Many

MATH TEACHER ATTENDS CONFERENCE

Mr. Dwayne Cameron, mathematics coordinator for the Old Rochester Regional School District, recently returned from a mathematics and computer conference at the University of California-Santa Barbara (February 13-14). Mr. Cameron gave a presentation on the computer algebra system muMATH and on topics involving Pascal and Precalculus. This was a follow-up conference to the six-week summer program (Institute on Computing and Algorithmic Mathematics) which Mr. Cameron participated in this past summer at UCSB.

Mr. Cameron has been informed that he is one of four nationwide recipi-

WONDERFUL WORLD OF MIME

Scot Cannon, live on stage March 19 and 20 at 1:30 p.m., opens to all of us "The Wonderful World of Mime". Brought back by popular demand, the TOP's Children's Theatre is proud to present this Mime of many talents. All seats are $4.00. For further information call 947-1880.

SUSPENSE COMING

The opening production of "The Runner Stumbles", based on an actual Michigan murder case of the early part of the century, is March 31st and will continue through April at Theatre One Productions. The play is first of all a suspenseful whodunit involving a Catholic priest accused of murdering a nun in his charge.

The play will be shown March 31 and April 1-2, 8-9 and 15-16. Tickets are $8,00, general admission; $6.00 for seniors and students. For further information call 947-1880.

Theatre One Productions is located on Route 105, North Main Street in Middleboro.

erally on the third Sunday of the month at Nemasket Gallery, 56 Bridge Street, Fairhaven. There is a whole foods catered brunch from 9:30 to 10:30 followed by the featured program. On Sunday, March 20th, the speaker will be Sol Slobins, a Developmental and Behavioral Optometrist. Dr. Slobins will introduce Vision Therapy and present an educational slide show. Please call 993-1151 to make reservations or for more information.

Dr. Solomon Slobins became interested in Vision Therapy early in his career. He says that vision as behavioral optometry looks at much more than whether you can see something clearly or not. His practice as a wholistic optometrist looks at how vision guides and influences total behavior.

For many years Slobins has taken part in an Optometric Extension Program that forms study groups to share experiences and knowledge about vision performance. The current study group, which Slobins formed, meets at the College of Optometry in Boston.

About his work, Slobin says, "Our vision guides and directs us through the world. In Developmental and Behavioral Optometry we set up conditions, situations, and tasks so that the person has to reorganize how they look at the world. We use lenses and prisms that alter and modify vision."

Children's Museum

AMERICA TAKES NOTE

Come to The Children's Museum in Dartmouth and celebrate 150 years of Music Education in the public schools of the United States. There will be two special programs offered on Saturday, March 12th, under the supervision of New Bedford Music Teacher Charlene Gallant.

At 11:00 a.m. sing and dance with Brownie Troop 101 as they present a program of songs and dances. Then, at 2:00 p.m. come and "experience" stringed instruments. Violins and cellos of various sizes will be available to try or you can bring your own instruments and join the "band".

Both programs are free with Museum admission and are appropriate for children ages 5 to 12. Pre-registration is requested as the number of participants in each class

NOTED OLD FALL RIVER LINE SCHOLAR TO SPEAK TO MUSEUM

Dr. Edwin L. Dunbaugh, noted authority on steamships that sailed Long Island Sound and Narragansett Bay, is returning to the Marine Museum at Fall River as guest speaker on Sunday, March 20th.

The subject of his talk will be the overnight steamboats that ran between New York and Fall River from 1905-1910. Dr. Dunbaugh recently retired from Hofstra University

Red Cross Volunteers

VOLUNTEERS STRENGTH OF RED CROSS

March is traditionally Red Cross Month, proclaimed as such each year by the President of the United States, who also serves as the organization's honorary chairman.

"Here in the Greater New Bedford area," said Ms. Del Rocha, Chairperson of the Greater New Bedford Chapter, "we receive the funds we need in the United Way Drive. Therefore, our volunteers and staff are marking Red Cross Month with a three-prong campaign to thank people for supporting the American Red Cross through their United Way gift, to inform them about American Red Cross' many services, and to recruit additional volunteers."

To carry out its worldwide services, the American Red Cross is dependent on contributions and volunteers.

"There are over 1.8 million men and women who volunteer their time to the Red Cross on a regular basis. They are its strength. Without them the Red Cross could not do the job it does today."

Ms. Rocha noted many people have the idea that Red Cross volunteers are active only in wartime or during a disaster. Actually, volunteers work in, and in fact make

possible, the entire spectrum of Red Cross services.

The Greater New Bedford Chapter is always in need of volunteers. There are no age limits. "The main qualifications are desire and an ability to help others", she added.

Residents who wish to help the American Red Cross serve their community should phone the office volunteers at the Greater New Bedford Chapter. The phone number is 996-8286.

Gerontology Lectures at S.M.U.

"Fun, Fantasy and the Philosophy of Aging" will be the subject of a March 23rd lecture at Southeastern Massachusetts University by "master of life experience" Helen G. Ansley.

An octogenarian herself, Ms. Ansley has been a consultant on aging and senior growth explorations for the last 10 years. She received the "master of life experience" honorary award at a 1980 conference on aging in Bellevue, Washington.

Ms. Ansley's talk is the first of two lectures sponsored by the university's Faculty Gerontology Committee and Sigma Xi, the Scientific Research Society. Both lectures, which are free and open to the public, will be held at 4 p.m. in Room 153 of the Visual and Performing Arts Building. Parking is in lots 8 and 9.

On April 27th Atty. Stafford Sheehan will present "Estate Planning: Retaining Your Resources". Sheehan is former chairperson of both the Westport Council on Aging and SMU's Institute on Health and Long

TOWN OF MATTAPOISETT, MASSACHUSETTS

PLANNING BOARD

The Mattapoisett Planning Board will hold a Public Hearing on Tuesday, March 15, 1988 at 8:00 P.M. in the Conference Room of the Town Hall on proposed Zoning By-Law changes as follows:

NO. 1. To see if the Town will vote to amend Section III of the Zoning By-Law of the Town of Mattapoisett by striking in its entirety Section III.B. and substituting in its place the following:-

"B. Accessory Uses in Residential Districts.

1. An accessory professional, trade or home occupation use permitted as of right of by a Special Permit (see Section V.A.4.a. and Section V.D.3.a. and b.) shall not occupy more than 25% of the total floor area of all structures on the lot, or 480 square feet, whichever is less. In connection with any such use, not more than two (2) persons, not members of the household, shall be employed on the premises; there shall be no exterior display or storage of goods for sale or other materials, no other variation from the residential character of the neighborhood; no obnoxious noise, vibration, dust, odors, heat or glare shall be produced; and parking generated by the use shall be accommodated off-street.

2. An accessory use for a garage or garages for storage of motor vehicles, boats, related equipment and household equipment shall not occupy more than 864 square feet of the lot area; provided, however, that exceptions may be authorized by a Special Permit granted by the Board of Appeals pursuant to Section VII.B.2. of the Zoning By-Law."

or take any other action relative thereto.

NO. 2. To see if the Town will vote to amend the Zoning By-Law of the Town of Mattapoisett by striking in its entirety Section V.H. and substituting in its place the following:-

"H. General Business (GB), Permitted Uses and Exceptional Uses:

1. Structures or premises may be used for one ormore of the following permitted uses:

a. Uses permitted in any residential district.

b. Professional offices, banks and personal service agencies.

c. Retail establishment

(1) that sell, display and store all goods for sale inside a fully-enclosed building on a lot, or

(2) that sell, display and store goods for sale inside a fully-enclosed building on a lot and display goods for sale on the lot outside the building only during regular business hours, such goods being displayed or stored inside a building at all other times, or

(3) that sell, display and store goods for sale inside a fully-enclosed building on a lot and display or store during and beyond regular business hours only trees, shrubs, plants, flowers, wreaths, greenery and similar goods for sale on the lot outside the building.

d. Restaurants, as defined in G.L. c. 138, sec 1, not including fast-food restaurants or restaurants having fast-food functions, that is, restaurants that serve food to customers occupying motor vehicles located on the premises.

2. Structures or premises may be used for other business used not permitted as of right under Subsection 1.a. d., above, except for junkyards, as defined in G.L. c. 140B, sec 1, if authorized by a Special Permit granted by the Board of Appeals pursuant to Section VII.B.2. of the Zoning By-Law."

or take any other action relative thereto.

3. To see if the Town will vote to amend the Zoning Map entitled, "Zoning Map of Mattapoisett, Massachusetts, dated November 1, 1967" as revised, as referred to in the first paragraph of Section IV.B. of the Zoning By Laws, by changing to General Business (GB) District a portion of the exiting Residence 30 (R 30) District on the east side of North Street near I195, or take any other action relative thereto.

4. To see if the Town will vote to amend the Zoning Map entitled, "Zoning Map of Mattapoisett, Massachusetts, dated November 1, 1967" as revised, as referred to in the first paragraph of Section IV.B. of the Zoning By-Laws, by changing to General Business (GB) District a portion of the exiting Village Residence (VR 10) District on the south side of County Road (Route 6) near North Street, or take any other action relative thereto.

Complete text of the above articles are available in the Office of the Town Clerk during normal office hours.

"Nazi Hunting"

The current status of "Nazi Hunting" and the effect of a recently opened United Nations archive on Nazi war criminals will be the topic of a talk given by Mark Weitzman, Associate Director of Educational Outreach for the Simon Wiesenthal Center's Eastern Region, on Wednesday evening, March 16th, at 7:30 p.m. at Tifereth Israel Synagogue in New Bedford.

According to Weitzman, who has personally researched the file which had been closed to public scrutiny for nearly 40 years, it could be an important source of information available in prosecuting former Nazis.

The U.N. file contains 38,000 listings, with experts estimating a minimum of 10,000 usable dossiers.

Weitzman also will discuss anti-Semitism and its impact upon aspects of the Middle East crisis.

The talk is co-sponsored by the Jonah unit of B'nai B'rith and the Jewish Community Relations Council (JCRC) of the Jewish Federation of

LEGAL ADVERTISEMENTS

TOWN OF MATTAPOISETT, MASSACHUSETTS
INVITATION TO BID
CONSTRUCTION OF NEW POLICE STATION

Sealed Proposals will be received by the Selectmen for the construction of New Police Facilities, Mattapoisett, Massachusetts. The estimated cost of the project is $1,200,000.

Plans and specifications will be available at the address of the Town Hall, Office of Selectmen, 16 Main Street, Mattapoisett, Massachusetts, after 10 A.M., Standard Time, Tuesday, 15 March 1988.

Every general bidder must be on the Division of Capital Planning and Operations' (DCPO) approved list of pre-qualified bidders before its bid can be considered.

All bids will be received by the Selectmen at the above address no later than the time and date specified below and be publicly opened and read aloud at the Mattapoisett Town Hall, Mattapoisett, Massachusetts. Any bids received after the time and date specified will not be considered.

Sealed bids for the General Contract, submitted on a form furnished by the Selectmen, will be received not later than 2 P.M., Standard Time, Tuesday, 19, April 1988.

Each general bid proposal must be secured by an accompanying deposit of 5% of the total bid amount in the form of a bid bond, in cash or certified, treasurer's or cashier's check issued by a responsible bank or trust company payable to the Town of Mattapoisett.

Each proposal must be enclosed in a sealed envelope clearly endorsed with the name and address of the bidder and project name.

All bids for this project are subject to the provisions of either or both Mass. G.L. Chapter 30, Section 39M, as amended, and Mass. G.L. Chapter 149, Sections 44A-I inclusive. Attention is directed to the minimum wage rates to be paid on the work, as determined by the Commissioner of Labor & Industries, under the provisions of Mass. G.L. Chapter 149, Sections 26-27D inclusive., The Selectmen reserve the right to waive any informalities in or to reject any and all bids if it be in the public interest to do so.

All bid deposits of general bidders, except those of the three lowest, responsible and eligible general bidders, shall be returned within five (5) days, Saturdays, Sundays and legal holidays excluded, after the opening of the general bids. The bid deposits of the three lowest, responsible and eligible general bidders shall be returned upon the execution and delivery of the general contract or, if no award is made, then at the expiration of thirty (30) days after the opening of the bids therefore, Saturdays, Sundays and legal holidays excluded, unless forfeited by failure to sign the contract as hereinafter provided. All bid bonds shall be retained by the Selectmen unless accompanied by a stamped, self-addressed envelope.

Sealed bids for filed sub-bids, submitted on a form furnished by the Selectmen, will be received before 2 P.M.. Standard Time, Tuesday, 12 April 1988.

Sub-bids will be required for the following categories: Masonry, Gypsum Wall Board, Accoustic Tile, Painting, Plumbing, HVAC and Electrical.

Plans and specifications will be available after 10 A.M. at the address of Selectmen, upon deposit of $50. per set in cash or certified check, made payable to the Town of Mattapoisett. Deposit will be refunded upon return of plans and specifications to the Selectmen no later than fifteen (15) days after the receipt of general bids. Plans and specifications may be obtained through the mail by submitting a SEPARATE CHECK, made payable to the Town of Mattapoisett. The MAILING FEE IS $15/SET, and is non-refundable.

The job site will be available for inspection by appointment.

Respectfully submitted,
Board of Selectmen
Town of Mattapoisett

of this area. The coastal zone was an important ecosystem utilized by the Native Americans and Dr. Jordan Kerber of the Public Archaeology Laboratory in Providence will relate the significance this area had on these people.

To gain knowledge of what Wampanoag life at the time of European contact was like, course participants will visit the Wampanoag Summer Campsite at Plimoth Plantation where they will make corn cakes in a fire pit and sample sumac tea. Another field trip will take them to the Haffenreffer Museum where they will visit "King Phillip's Throne" and listen to a presentation on the importance of the King Phillip War to Wampanoag culture.

Mishanaguas, a Wampanoag resident in Middleboro, will present the culture of her people, delving into Christianizing, crime and punishment, living in two worlds and differences in culture values. This presentation will be reinforced when the group visits the Assonet Tribe for its New Year Celebration. Course participants may be fortunate enough to witness dancing and ceremonies centered around the spring at this spiritual time of year.

A walk on the Lloyd Center property, led by Running Deer, an Indian herbalist/medicine man, will explore the world of edible and medicinal plants and their usage by the Wampanoag. Nanepashemet, a Wampanoag from the Wampanoag Indian program at Plimoth Plantation, will present the history, significance and legends concerning wampus (Wampanoag "money").

Music and storytelling played an important part in the lives of the Algonquin and these subjects will be explored in the mini-course. The

Q. IS PASSIVE EXERCISE JUST A FAD?
A. DEFINITELY NOT! Passive exercise is the alternative to strenuous exercise. It has been said by physical therapists that the concept is effective for people with heart problems, artificial joint recipients, arthritics and others. Imagine effortless exercise that provides muscle tone strength, muscular endurance, flexibility, better circulation and inch loss! Call for complimentary visit or just stop in and see for yourself.

COMPLETION OF ADULT TRAINING PROGRAM

A total of sixty-eight adults has just completed Vocational Training Programs at Old Colony Regional Vocational Technical High School. The adult students received one hundred twelve hours of instruction in one of four vocational areas, including Automotive Mechanics, Offset Printing, Machine Shop, and Metal Fabrication.

The classes, which were held twice a week, were designed to meet the needs of both entry level and advanced students. Many of the students are currently employed in trade-related jobs. They were attempting to upgrade their employability within their fields. Others were seeking new skills in high employment areas.

Students were able to be trained with state-of-the-art equipment, some of which was purchased through a Vocational Education Grant for the Adult Education program. Student response to the programs was extremely enthusiastic and many expressed interest in enrolling in similar programs in the future.

FOUR COUGARS SELECTED ALL-STARS

Four members of the Old Colony Regional Vocational Technical High School Girls' Basketball Team were selected recently to the Mayflower League Basketball All-Star Team.

Senior Pamela Hallett and juniors Victoria Camacho, Laurie Nunes, and Cherie Sanville were selected as the result of their outstanding play during Old Colony's 1987-1988 basketball season.

Pamela Hallett is a resident of Carver and will graduate in June from the Culinary Arts Program. Juniors Victoria Camacho and Laurie Nunes are both Mattapoisett residents who are studying Data Process-

ing at Old Colony. Cherie Sanville is a Cosmetology student from Carver.

The selection of four out of the five Old Colony starters is a "first" for the school's basketball program. The team qualified for both the Mayflower League Playoffs as well as the State Tournament.

OPEN LETTER OF APPRECIATION

The members of the Old Colony Chapter of the National Honor Society extend their sincere appreciation to the many residents of the community who attended their recent Spaghetti Supper.

The event was a tremendous fund-raising success and will assist the Honor Society in future educational activities. According to Pamela Hallett, Honor Society secretary, "Our success was a result of the generosity of the residents of Acushnet, Carver, Mattapoisett, and Rochester who attended and shared in the spirit of our Italian night. We sincerely appreciate everyone's support."

International Women's Day

80th ANNIVERSARY

International Women's Day is celebrated throughout the world, but few here know that it had its origins in the American Labor Movement.

International Women's Day commemorates one of the first demonstrations held by women workers in the needle trades in New York on March 8, 1908.

The women demonstrated for the right to vote and for union conditions in their workshops. For a work-week of 59 hours wages were only $9. a week.

Additionally, young women were subjected to strict discipline, often being fined half a day's pay for being a few minutes late or for accidently spoiling a piece of cloth.

Local organizations are sponsoring the 9th annual International Women's Day celebration March 13th from 2 to 4 p.m. at Carney Academy, Elm and Cottage Streets, New Bedford. There is a $3. donation.

Featured performers are the nationally acclaimed Middle Eastern Village Folk Dancers. Based in New Bedford, the dancers are under the direction of Morwenna Assaf.

Also included in the program is a film presentation, poetry, the Umoja Singers, and the annual Women of the Year Award.

of Westport. His address will be on "The American Economy, 1988 and Beyond", with an emphasis on New England's economy.

Loeb has spent most of his career at Time magazine, where he most recently was economics editor and columnist. During his 24 years there he covered most of the major stories about finance and politics and has won numerous major awards for economic and financial journalism.

He was also managing editor of Money magazine from 1980-1984, during which time it became the nation's fastest growing major magazine with a circulation increase from 825,000 to 1.4 million.

Other topics for the day-long regional conference will be strategies for meeting employers' labor needs and a regional approach to promoting tourism. The role of the Southeastern Massachusetts Partnership in the region's economic development will be addressed by Stephen Andrade, executive director, and members John R. Brazil, President of Southeastern Massachusetts University; John K. Bullard, Mayor of New Bedford; Carlton Viveiros, Mayor of Fall River; Richard Johnson, Mayor of Taunton; Carl Pitaro, Mayor of Brockton; and Kai Shang, Mayor of Attleboro.

Sponsors for the event include SMU, the Fall River and New Bedford area Chambers of Commerce, and Southeastern Advertising Agency, Inc.

Registration fee for the conference is $45. per person and in-

Irish Music at Zeiterion

THE CHIEFTAINS, the most famous exponents of traditional Irish music, will perform at the Zeiterion Theatre on Sunday, March 13th at 8:00 p.m. The Chieftains who are celebrating their 24th Anniversary Tour, will be accompanied by The Nelson Village Dancers, a contra-dance troupe from the Monadnock Region of New Hampshire. Tickets are priced at $19.50, $17.50 and $15.50 with a $2.00 discount for senior citizens and students. For more information on tickets and group packages, call the Zeiterion Box Office at 994-2900. Tickets are also available at all Ticketmaster locations.

For over 20 years The Chieftains have recovered a wealth of traditional Irish music, making it their own with an astonishing range of improvisation and virtuosity. The international following they have created for Irish reels, jigs, airs and ballads has expanded from a purely folk audience to millions of music lovers of all tastes. The members of the group include Paddy Moloney, Martin Fay, Sean Keane,

Derek Bell, Kevin Connell, and Matt Molloy.

The Chieftains have released 16 albums to date, including their latest release for RCA Red Seal Records, "Keltic Wedding", which has been nominated for a Grammy. They will also be releasing a traditional folk album with Van Morrison this May. The group has performed and recorded with pop acts such as The Rolling Stones, Art Garfunkel, Eric Clapton, Dan Fogelberg, Jackson Browne, and Don Henley. They broke all records for the largest live audience when they performed for Pope John Paul II and 1,350,000 people at Phoenix Park in Dublin, Ireland. As Paddy Moloney, the band's leader, said, "It was his gig - we were just the opening act. The Pope was the headliner."

The Nelson Village Dancers, who will be joining The Chieftains only for their New England engagements, are a group of contra-dance enthusiasts affiliated with the Monadnock Folklore Society of Nelson, New Hampshire. Irish tunes are common at their contra dances, and the Celtic flavor is found in many tunes composed for the dance today. The influence of the Irish set dances and stepdancing is evident in many of the dances that comprise their New England repertoire.

The Chieftains always find a warm welcome among the contra dancers of New England. In turn, the dancers' enthusiastic response to their music is a true token of gratitude for the cultural contributions the Irish have made.

This is the second performance for The Chieftains at the Zeiterion. The Zeiterion Theatre is located at 684 Purchase Street in historic downtown New Bedford.
